### **RUFFLED FEATHERS**

1 Pete Dye Drive  
Lemont, IL 60439

### *Purpose:*

- To have fun with family, friends, colleagues, and clients
- To raise funds for the UIC (University of Illinois @ Chicago) GILD

Established in 1997, the UIC GILD has raised money to support research, patient care and education to diagnose, prevent and treat gastrointestinal, liver, and nutritional diseases. The GILD is a volunteer-driven organization that supports the work of faculty physicians at the University of Illinois-Chicago Medical Center's Section of Digestive Diseases and Nutrition and its Section of Hepatology (liver diseases).

### *Location:*

The Green Ribbon Open will take place at the award winning **Ruffled Feathers Gold Club**, located in Lemont, only 25 minutes from downtown Chicago. The format will be a shotgun best-ball scramble. The shotgun will start at 1:30 pm, registration at 12:30 pm. A dinner buffet will follow immediately afterward.

Designed by the legendary Pete Dye and his son P.B Dye, Ruffled Feathers Golf Course offers 18 devilishly unique and demanding holes in a superbly crafted, simply gorgeous setting. As the only Dye-designed golf course in the Chicago area, this premium golf jewel has been hailed with Best New Course honors from Golf Digest and Golfweek magazines.

### *Cost:*

**Golf & Dinner:** \$135/person, which includes golf cart, greens fee for 18 holes, prizes, and BBQ buffet on the "19th" Hole immediately following the golf. All skill levels are encouraged to participate and rental clubs are available for an additional \$40.

**Dinner Only:** For those interested in supporting the cause, but unable to participate in the golf scramble, you can reserve a plate at the dinner for \$25.
